

# Driving success through partnership: Harmony and Dunlop Belting Products

FEBRUARY 2025

At Harmony, we understand that our success is built on strong partnerships with dedicated local businesses. One of our key partners is Dunlop Belting Products, a 51% black-owned leading manufacturer of industrial conveyor belts based in Benoni, Gauteng. Since 2019, Dunlop has been an essential supplier to Harmony, providing high-quality conveyor belts and maintenance services across all our sites.

Under the leadership of CEO Mbuso Thabethe, Dunlop Belting Products has grown to employ over 600 people. With an annual production average of 1 065 kilometres of conveyor belting, making it the largest conveyor belt manufacturer in the country. Dunlop has proven to be a reliable and indispensable partner in our operations.

**"Our relationship with Harmony has been a cornerstone of our growth and success," says Mbuso. "Thanks to Harmony's belief in our products and expertise, we've been able to not only retain jobs but also create new ones within our community."**

Dunlop's commitment to the community extends beyond employment. The company has hired 45 permanent employees, each supporting around 450 direct and indirect

## Dunlop Belting specialises in the following;

Dunlop Belting Products has produced 1 065 kilometres of conveyor belting annually

Dunlop invests R6.5 million annually in skills development and bursaries

Dunlop has proven to be a reliable and indispensable partner in our operations

Dunlop inspires young people to pursue careers in manufacturing

beneficiaries from local communities. Additionally, Dunlop invests R6.5 million annually in skills development and bursaries, ensuring that their employees receive top-notch training and education. This dedication to empowering their workforce reflects their broader mission of inspiring young people to pursue careers in manufacturing and take pride in creating something tangible.

**"Harmony's support has been instrumental in our ability to maintain and grow our workforce," Mbuso adds. "Without their partnership, this level of community impact wouldn't be possible. We are truly grateful for the opportunity to contribute to the local economy and to the lives of so many people."**

At Harmony, we are proud to partner with companies like Dunlop Belting Products, whose commitment to quality and community development aligns with our own values. Our partnership with Dunlop aligns with our commitment to transformation, by supporting 50%+ black-owned service providers, we are driving inclusive economic growth. Furthermore, by supporting Dunlop, we are not only ensuring the smooth operation of our sites but also fostering job creation and skills development in our communities.
