

INVITATION FOR PUBLIC COMMENT

Preliminary Documentation for Eva Copper Mine Project (Stage 1) EPBC No. 2026/10587

The following notice is published pursuant to Section 95A(3) of the Commonwealth Environment Protection and Biodiversity Conservation Act 1999 (EPBC Act).

The Eva Copper Mine Project (Project) is a large-scale open cut copper mining and processing operation located in North West Queensland, approximately 75 kilometres north-west of Cloncurry. The Project is operated by Eva Copper Mine Pty Ltd (ECMPL), a wholly owned subsidiary of Harmony Gold Mining Company Limited (Harmony).

ECMPL is seeking approval under the EPBC Act for the Stage 1 Referral Action (EPBC 2026/10587). The Stage 1 Referral Action is designed to support development of Critical Path Activities necessary to achieve first production of copper concentrate from the Project. The Stage 1 Referral Action has been identified as a standalone component of the broader Project.

The Stage 1 Referral Action has been determined to be a controlled action requiring assessment by Preliminary Documentation. The controlling provisions under the EPBC Act are listed threatened species and communities (section 18 and section 18A).

The Preliminary Documentation associated with the Stage 1 Referral Action will be on display at no cost in hard copy for public comment for 10 business days from Thursday 3 September 2026 to Wednesday 16 September 2026 at the following locations:

- Bob McDonald Library - 43 Scarr Street, Cloncurry
- State Library of Queensland - Cultural Precinct, Stanley Place, South Brisbane

The Preliminary Documentation can also be viewed online at
